RUPAK RAJENDRAN

PERSONAL DETAILS

Rupak Rajendran

rrupak789@gmail.com

+91 9739678694

Bangalore

SKILLS

Data Structures

Machine Learning

Mysql

Web development(MERN)

Python ,Golang ,C ,C++ ,Java

ERP

Microsoft Office

Arduino, ESP32

Market Analysis

Data Science

Supply Chain Management

PROJECTS

Weather Forecasting System

Warehouse Management system

8-week Stock research analysis project

Employee management System

Attendance logger using Golang

Apple health analyser using python

Vacation Planner using MERN

Twitter database analysis using Graph Data Science in python

ESP32 smart plug

PROFILE

Computer Science student in the 6th semester at PES University, with a strong foundation in problem-solving and expertise in data structures and algorithms. Eagerly pursuing knowledge in AI and Supply Chain Systems, I am dedicated to honing my skills through coursework and hands-on projects. Possessing a proactive approach to learning, I am committed to staying updated with the latest advancements in the field. Passionate about leveraging technology to tackle complex challenges, I aim to contribute positively to the ever-evolving landscape of computer science

EDUCATION

Btech Cse

Sept2022-May 2026

PES University Bangalore

Currently in 6th semester

CGPA-8.20

CERTFICATES

FULL STACK MACHINE LEARNING USING PYTHON July 2024
From MSME-TECHNOLOGY DEVELOPMENT CENTRE
